METHODOLOGY

The Glengariff Group, Inc. conducted a Michigan statewide survey of registered voters. The 600 sample, live operator telephone survey was conducted on September 12-15, 2024 and has a margin of error of +/-4.0% with a 95% level of confidence. 17.1% of respondents were contacted via landline telephone. 82.9% of respondents were contacted via cell phone telephone. This survey was commissioned by the Detroit Regional Chamber.

KEY FINDINGS

ECONOMIC FINDINGS

11-Point Shift in Michigan’s Right Track; Majority Now Say State on the Right Track

- * Michigan voters have moved sharply in the direction that the state is on the right track. 53.1% of voters now say the state is on the right track compared to 39.7% that say wrong track. 53.1% represents an 11-point gain from the May 2024 survey and the best right track number over the past four years.

<u>Survey</u>	<u>Right</u>	<u>Wrong</u>
January 2020	44.5%	26.2%
October 2020	44.9%	41.3%
February 2021	46.6%	38.9%
May 2021	40.4%	45.2%
September 2021	38.7%	47.2%
December 2021	31.7%	52.8%
May 2022	31.7%	50.1%
December 2022	47.9%	42.8%
February 2023	46.4%	42.9%
May 2023	41.9%	46.3%
November 2023	40.6%	47.0%
May 2024	42.1%	41.2%
September 2024	53.1%	39.7%

- * These gains are driven by increases among Strong Democratic, Leaning Democratic and Independent voters. Republican voters remain unchanged from the May 2024 survey. Leaning Democratic voters saw a 30.6% increase.

<u>Party</u>	<u>May Right Track</u>	<u>September Right Track</u>	<u>Shift</u>
Strong Democratic	76.3%	88.2%	+11.9%
Lean Democratic	55.9%	86.5%	+30.6%
Independent	39.1%	50.0%	+10.9%
Lean Republican	29.8%	28.8%	-1.0%
Strong Republican	16.4%	14.9%	-1.5%

* By a margin of 42.7% right track to 47.4% wrong track, Michigan voters now narrowly believe the state’s economy is on the wrong track. This is a minor improvement from May 2024 when it was 39.2% right track to 51.7% wrong track.

<u>Survey</u>	<u>Right</u>	<u>Wrong</u>
May 2022	31.7%	50.1%
November 2022	41.0%	48.9%
February 2023	38.9%	48.1%
May 2023	37.0%	46.5%
November 2023	36.1%	50.2%
May 2024	39.2%	51.7%
September 2024	42.7%	47.4%

* The slight improvement comes from Strong Democratic and Leaning Democratic voters. Independent voters continue to believe Michigan’s economy is on the wrong track. Republican voters believe the state’s economy is on the wrong track by a huge margin.

<u>Party</u>	<u>Economy Right</u>	<u>Economy Wrong</u>
Strong Democratic	74.3%	14.4%
Lean Democratic	75.0%	13.5%
Independent	39.0%	50.8%
Lean Republican	16.9%	74.6%
Strong Republican	13.2%	79.3%

* The 47.4% of voters that believe Michigan’s economy is on the wrong track were asked why in an open-ended question. 60.4% of these voters cited inflation/cost of goods, wages being too low, or the cost of gas. 52.8% specifically cited inflation. In May 2024, 42.9% specifically cited inflation.

52.8%	Inflation/Cost of Good
10.5%	No good jobs/ Unemployment
10.1%	Anti-Biden/Democrats
4.5%	Wages are too low/ Not paying enough
3.1%	Cost of gas
